Moonlight Quilters Guild

For anyone who enjoys quilts & quilting

Who We Are

You may not realize that Washington State is a leader in modern day quilt making and Whatcom County is part of this creative resurgence.

Moonlight Quilters began in 1991 as a group for working people and parents with young children who could not attend a daytime meeting. Today, our guild is composed of about 90 members who range in age from their early teens to over 65. Yes, we even have male members, and some "closet" quilting husbands.

The guild is a non-profit community group for people interested in quilt making, and for those who simply enjoy quilts. We welcome quilters of all skill levels, from the very beginners to experienced professionals. Our interests range from the very traditional to modern art quilts, and from handwork to fancy machine stitches.

Membership & Activities

Meetings consist of a program, news and announcements, time to socialize and have goodies, followed by a show and tell from attendees. Program topics vary from month to month and may include lectures from guest speakers, slide shows, demonstrations, or group projects.

The guild sponsors a variety of activities, including:

- Block exchanges
- A quilt challenge
- Fabric swaps
- Lectures by experts
- Biannual quilt show
- Community Service projects

All guild activities are voluntary. Members participate as much or as little as they choose.

Dues:
$25.00 per year, due annually in March. Dues are prorated on a quarterly basis if new members join after March.

Non-members may attend for a $5.00 charge, which will be applied to your membership dues if you join that night or the next scheduled meeting. Occasionally, we have a special program for which we may charge an additional fee.
