

Block #8

Moonlight Quilters 20th Birthday Mini-Block of the Month

Block #8 – Roman Numeral 20

Fabric cuts you will need:

From your background fabric, cut a 6 ½" square.

From your color fabric, scraps at least the size of the templates.

Using a fusible applique method, trace the template pattern for the roman numerals onto your fusible and adhere to the wrong side of your color fabric. Iron into place on your background square. Using a decorative stitch of your choosing, outline the roman numerals into place.
